### Short Stop in Romania: "Food for a Woman's Heart and Mind"

MINISTRY TO WOMEN

We've packed our days in Romania with several life changing events.

**The Women's Conference** with the theme:

"Food for a Woman's Heart and Mind"

will be held at the PIE-Romania Christian Center in Alba Iulia. We are expecting **200 women** to attend a full day of solid teaching that would equip them, strengthen their faith, and prepare

them to give answers to challenging questions about their faith and the validity of the Bible.

**An Evening of Fellowship with the Orphan Ladies.** Anyone remember Corina and her orphan girls?

These girls are now young ladies, several of them are married and have children.

**Theme verse:**  
"Love the Lord with all your HEART, with all your soul and with all your MIND and with all your strength."  
.....Jesus (Mark 12:30)

**Needs: funds for the meals for all the events Donate to Fund # 24700 Goal: \$1,500.00**

### Summer Camp in Ukraine

This summer we have a dynamite team of apologetics teachers!

**Gabi** will be teaching the younger class of children, from the AiG VBS: "Ocean Commotion". Every day, kids are challenged to stand for God in their schools, among their friends, no matter what. And they're bombarded with the lie that God's Word isn't true when it talks about earthly things (rocks, fossils), so it can't be trusted to tell the truth about spiritual things. **Noah** experienced the same challenges during the time of the great **Flood** thousands of years ago. Yet, by God's grace, he was able to **Stand for God, Obey God, Trust God,**

**Thank God, and Fear God** . . . no matter what. The biggest watery catastrophe the world has ever known happened during his lifetime. **But through it all, Noah found grace in the eyes of the Lord.** The kids will dive deep into the account of Noah and the Flood from the book of Genesis! They'll learn to apply the spiritual lessons from Noah's life to their own. And, along the way, they'll uncover earthly lessons from the Flood: how all the animals fit on the Ark, how the Flood covered the whole Earth, and how we can still see the effects of this Flood today.

**The other teachers** on the team will be teaching Apologetics and will equip the youth and young adults with answers to defend their faith and God's Word.

**Cornel** is coordinating the planning and administration of all the events together with the PIE national leadership. He is looking forward to spending time with all the national missionaries. He will also be our driver as we travel from Romania to Ukraine and back.

**Needs: Scholarships for Campers and Local Leaders / Interpreters / Goal: \$ 3,500.00**
