# NOVEMBER 2017 PIEI-UKRAINE

*Establishing Partnerships with National Christian Missionaries*

## **Petihachny Pavel**

In November our team that is working in the orphanages of our region preached in one of the orphanages in Chernivtsy, where 200 children could hear the Gospel. Furthermore we are preparing Christmas gifts and food for those children. They are waiting anxiously for Christmas to get the presents.

In November I also taught the book of Revelation to Nesvoia church. I related this book to other books from the Bible, such as Mathew 24, Luke 21, 2 Thessalonians and Daniel 7 and 9. Many unsaved people that are interested in the end of the earth attended the study. I hope that after the study most of them will accept the Lord in their hearts. There are already four people who come regularly to church. Let us pray for Mikhail George, the former village mayor, Aurica, the school principle and Artur, a neighbor of our church building. They are middle aged and have not yet given their lives to Jesus.

I gave my annual report of the ministry I did this year at a regional pastoral meeting in Chernovtsy. The pastors were glad to hear the ministry I did in the orphanages and with the refugees from Donetsk and Luhansk, the war area. In December I'm going to the war area to help the people who lost their houses in the war. Please, pray for me and the ministry I will do there.

Love, Pavel and Larisa Petihachny

## **Gortopan Mihai**

I praise the Lord as He has wonderfully led His ministry this month. We had three evangelisms at church with guests from everywhere. First a Romanian pastor that lives in America preached. There were a lot of unsaved people at church and heard the Gospel. Then a group of singers from Chisinau, Moldova came to our church and we had the opportunity to listen them sing. On the last Sunday of the month we had a trumpet band and wonderful preachers among us again. We had great fellowship. At all three events we had unsaved people who seek the Lord with their hearts. I thank the Lord for every person who came to these events and pray for them to be touched by the Holy Spirit.

I attended a pastoral meeting at Chernovtsy where I learned a lot of useful things about the church ministry.

Best regards, Gortopan Mihai

## **Vasil Preutesa**

In November God helped me to share the Gospel to many families in Fagadau and Vanchikauts. I answered people's questions explaining what the true faith in Jesus is and invited them to church. I pray for all families I spoke to this month.

Our youth prepare songs and poems and visit other churches in the area that need to be encouraged. I am glad that some teens that went to the PIEI camp this summer come regularly with our teens to singing practice and Bible study. At the moment we are working on the Christmas program at church as well we are preparing invitations for people to carol during Christmas. We want to share the Gospel of the Messiah, born for the whole world to all the people in the villages Fagadau and Vanchikauts. We pray for this ministry that more people to open their hearts for the Lord.

Love, Vasil Preutesa, pastor missionary in villages Fagadau and Vanchikauts

## Postusak Grigory

In November God helped me to work successfully for His Kingdom. We live the latest days before Our Lord's returning. That is why we should eagerly spread the Lord's Kingdom on Earth saving people from Hell. In November I had the opportunity to preach live on the radio. The radio show I talked is called "Spiritual Advice". A lot of listeners from Donetsk and Lukansk, the war area called on the radio and asked me different questions about religion and faith. We pray for each radio listener to understand the Lord's will and repent.

Also in November I taught Bible lessons at the Theological Institute. I am glad that the students are good and eager to know the Lord's Word. We pray for them.

During the month I taught discipleship to the candidates to Baptism which we are going to have on December 3 at church. There are lots of young candidates who come from non-Christian families and who are persecuted by their family members. Our church prays for them to be strengthened in the Lord.

On November 25th I spoke at the regional pastoral meeting on the topic: "Go and proclaim the message I give you." This is the message that God has spoken to Jonah. It is very valid now for us too.

I preached at the youth meeting at the Coffee House. As usual a lot of unsaved youth come to the meeting to hear the Gospel.

At the moment we are working on Christmas programs. We pray the Lord to bless each heart that will come to our church on those days.

Best wishes, Postusak Grigory

## Valery Popov

I greet you in the Lord's name. By His grace we are still working in the Lord's vineyard. I do Bible studies with the church members and preach. My wife Alla does Bible study with the teens every Saturday. Also we have Sunday school with children where a lot of unsaved children come to learn about Jesus. One Saturday my wife Alla held a seminary for all Sunday teachers in the district. Most of the members of our church are involved in the personal ministry of people in the town.

The youth of the church are involved in the Praise and Worship service each Sunday. They also are invited by other brothers and sisters who need their help in holding outreaches.

For Christmas we are planning to go out in the centre of our town and carol the passersby. We asked the permission of the leaders of the town and we praise the Lord that they agreed and supported us to do this ministry at Christmas.

Best regards, Popov Valery

### **Paskari Alexa**

In November God helped me to work in His vineyard. As usual I started my ministry in November by visiting the sick people of the church and sharing with them the Communion. The youth of the church come with me and we preach and sing songs in the sick people's homes. This is an efficient method to evangelize the sick's unsaved relatives and neighbors. We praise the Lord as several relatives have started to attend our church.

I visited the church in Cherlena, a neighboring village, bringing joy to the local

church members. Every Sunday a preacher from our church visits the church in Malinesht encouraging that small church. I and my wife visited this little church one Sunday afternoon.

The youth and children of the church are getting ready for the Christmas holidays. They do singing practice and make the program for the winter evangelisms we are going to have during the winter holidays. We want to go caroling at people's houses in our village and the neighboring villages. We are going to invite all the people we will carol to church where we will have Christmas special programs and evangelisms. We pray for this ministry.

With the youth we prepared our church building for winter cleaning and supply it with wood.

Love, your brother in Christ, Alex Paskar

### **Kioresko Grigory**

By God's grace we lived this month in which we felt His great goodness. God has helped me to preach 17 sermons at church and a sermon at a funeral in Kolinkauts, a village not far from our village. I also spoke twice this month with a MP of our country. This man is very busy and rarely can find five minutes to talk to somebody, but God allowed us to talk for an hour. Then he asked me for another encounter. I don't know whether there is somebody who can tell him about Jesus, but I praise the Lord for the opportunity to tell him about my Savior and God's love to the world. Last spring he came to our church once and liked the service a lot, but since then he has problems with his

wife because she is very orthodox and didn't come anymore. Please, pray for this man and his wife. His name is Gregory Timish. Besides this MP I spoke to 8 other people and made 5 pastoral visits. Also every Wednesday I visited the church in Forosna, a little village not far from Rakitna. Please, pray for this church as there are big problems in the church.

We rejoice that a family, who attend the church for a while, accepted the Lord as their Savior. Please pray for Vasil and Tatiana, to be strengthened in their faith and decision. We have also 5 other unsaved people who attend regularly the church and with whom we made friends but still they haven't decided themselves for the Lord. We pray for all the visitors of the Lord. Please, join with us in prayer for them.

Please pray for me to follow the Lord's will only and always be at His disposal. Please pray for my family as well to stand strong and face the devil's arrows, as He knows very well our path. We need your prayer.

Love, Kioresko Gregory
