### Petihachny Pavel

In October God helped me to teach the book of Revelation to the members of Nesvoia church. Many unsaved people from the village come to church to study with us this beautiful book because they want to know what the end of the world will be. We pray the Lord to give to speak to their hearts through these Bible studies.

There was a great evangelism in Rakitna village with the participation of some doctors-volunteers from Kiev. Besides medical care and drugs people got spiritual conciliation from pastors. I was one of the pastors who shared the Gospel to a lot of unsaved people from that village. Let the Lord work in the hearts of those people who heard the Gospel and bring them to repentance.

In Nesvoia church we held a youth meeting where 86 youth from the neighboring villages had the opportunity to hear a lecture called "Pray and be vigilant continually". At the end of the lesson there was a Bible contest on the same topic and the winners got presents.

The sisters from Chernauts area attended a conference on the topic "How to have a Godly disposition". They learned a lot of examples of women in

the Bible who obeyed God's will. Obedience to God brings a lot of blessings in our lives. Around 600 women attended the conference and were encouraged by His Word. They also prayed for the end of the war in our country and for the missionaries all over the world.

I held two evangelisms in a little village called Zhilovka. The first outreach was held in the village club and the second one in the open air. Around 100 of unsaved people attended the second evangelism. The aim of the evangelisms was to enlarge God's kingdom in that village, as there are just a few Christians there.

I visited the sick people of the church in Chernauts and the PIEI missionaries to learn their problems and help them better. I assisted at brother Paskari's grandson baby dedication in Ginauts. Brother Pascari's children, Alina and Abraham named their baby son Alex, in honor to his grandfather. May the Lord bless this young family!

Best regards, Pavel and Larisa Petihachny

### **Gortopan Mihai**

I praise and glorify God for His wonderful everyday care. At the beginning of the month I took part in the outreach in Rakitna village where two days I gave spiritual conciliation to the people who came to be checked by the doctors-volunteers. I talked to around 70 people. More than half of them didn't have a personal relation with God. I pray for them to be transformed by God.

All the churches in Nousulitsa district held a Thanksgiving service in the front of the central town square, in front of the

house of culture. Our church had the task to decorate the stage with fruit and vegetables. A lot of unsaved people had the opportunity to hear the Gospel.

The children in our church have Sunday school every Sunday. Also a young lady in our church started a children choir this month. Pray with us for this ministry and for this lady to be strengthened in the ministry.

Thank you for everything you do for us. I wish to continue to be partners with you in the future.

Best regards, Mihai Gortopan

### **Vasil Preutesa**

In October God helped me to visit two unsaved families in Vanchikauts. We talked a lot from the Bible. I explained them many things they didn't know. Please pray with me for these two families, Olesya and Nicolai, and Maria and Ivan. I also invited them to church and they promised me to come.

With our youth we visited four young people whom we told about God's love. Our youth invited them to come to their youth meetings at our church. We are very happy with the young people in the church. They do bible studies and singing practice regularly. They are also very active in the ministry.

I also talked to the village mayor, to some teachers at school and to the school principle. I testified to them about how God worked in my life. I pray for those people to know personally the Lord.

Thank you for supporting me in the ministry. Thank you for praying for me. My family is sending you lots of greetings. May the Lord bless you all!

Love, Preutesa Vasil, pastor missionary in Fagadai and Vanchikauts

## Postusak Grigory

I thank the Lord for helping me to work in His vineyard. More and more we are feeling the Lord's coming by watching the catastrophes happening very often all around the world as well by seeing the church's faith. All these factors urge us to work more zealously, earning people for God.

In October on the occasion of 500th anniversary from Reformation, we had 5 evangelisms at church where we invited many unsaved people to hear the Gospel. Guests from abroad, singers and groups of singers, choirs and preachers took part in the evangelisms. We praise the Lord for awakening young people to repentance. We pray for all people who dedicated their lives to Christ.

The youth had two meetings at the Coffee House. Many unsaved young people came to hear the Bible Study and took part in the Bible contests. We pray for these young people.

I taught Systematic Theology at the Theological Institute. I am happy that the students are eager to study the Word of God. We pray for them to be used by the Lord in His ministry.

I spoke on the local radio answering to the listeners' questions. Many listeners were from the war area and they were interested about the situations from our country.

At the moment I am teaching discipleship to the people willing to get baptism on December 3rd in our church. We pray for the evangelism and for the people who will attend this event to be touched by the Word of God. Also we pray for the candidates to the baptism to be strengthened in their faith. Besides we pray for you who work with us. May the Lord bless you and reward you! Receive many greetings from our family.

Best regards, Pastushak Gregory

## Valery Popov

By God's grace we serve the Lord by working among people in the church and in the community.

In October we celebrated Thanksgiving with the church praising our Lord for all His blessings.

Also we celebrated Thanksgiving with other churches of our district gathering in the centre of Novoselitsa town. In this way we testified the people in the community about the Lord's love. The next day we prepared some parcels with food and gave them to the poor families in our town.

We were happy to take part at a baby devotional in our church.

We do Sunday school regularly. Also we are happy that some poor children came to Sunday school in our church and we could help them financially.

The teenagers of the church meet every Saturday for Bible study. I took part in the evangelism with the doctors in Rakitna where I served as a spiritual counselor. I witnessed several people's repentance at that evangelism.

May the Lord be blessed for all the works He does through us.

Thank you for supporting us in the ministry in Ukraine.

Be blessed,  
Valery Popov

## Paskari Alexa

In the first week of October I visited three sick members of our church and shared the Communion with them. Their neighbors and relatives who are not saved had the opportunity to hear the Gospel. We pray for all who heard the Gospel to accept the Lord.

We had a funeral at church where around 50 unsaved people came and heard the Gospel.

Our choir visited the little church in Malinesht village where we encouraged our brothers and sisters in Christ.

Our youth went to an orphanage that is 80 km away from Chernauts. There are 90 children in that orphanage to whom we brought food, clothes and laundry utensils. The children were very happy to see us and the administration thanked us for our help. We are glad that the Kingdom of God is spread in this way too.

Our church raised some money to help 2 children who need surgery abroad. We pray for those children as well for their parents who are not Christian.

Our children attended a regional children's conference in Chernauts. They enjoyed being with other children from other churches in the region and learning the Bible.

On October 8th we had our grandson's baby devotional at church. This is the son of our daughter Alina and her husband Abraham. They called him Alex. Brother Pavel and his wife Larisa were at our celebration too. We also had a lot of guests at church. We pray the Lord to bless Alina and Abraham's family.

We pray for you and thank you for your support and for everything you do for us.

My family is sending you warm greetings. May the Lord bless you!

Love, your brother in Christ, Alex Paskar

## Kioresko Grigory

We lived another month in which we could see God's blessings abundantly. In October I preached 17 sermons at our church, I organized the outreach with the participation of the doctors-volunteers as well as another outreach held at church with the participation of some brothers from Romania. Besides I preached at two funerals, one in Rakitna, my village and another one in a village called Kolinkauts. I served the Lord in another village called Terebleche where I served as a spiritual counselor to the unsaved people in that village.

On October 7th and 8th, 23 doctors-volunteers came from Kiev in our village and checked people prescribing them medicine for free. 380 people were consulted by the doctors and talked to the spiritual consultants. As a result of this evangelism two people accepted the Lord and other 4 come regularly to church.

On October 14th we had evangelism at church and the building of the church was full. We are praying for all the people who heard the Gospel that day.

I and my family serve the Lord at church and we thank God for His grace of using us as His tools. Please pray that through everything we do may the Lord take all His glory. May His peace be with you!

Love, Kioresko Gregory
