PIEI-UKRAINE

Establishing Partnerships with National Christian Missionaries

There are so many young people without purpose and hope in life nowadays. They need love and communication that's why they try to fulfill their lack of communication and love with perverse things or different useless stuff. The purpose of the PIEI camp was to give the young people a hint to trust Jesus and search love and comfort only near His Word. Only in Him they can find the best friend. -Pavel Petihachny

Testimonies

“I was glad to be at the PIEI youth camp
“the Candle” where I had a beautiful
time of Bible study, relaxation and praise
and worship programs. But most of all I
was glad to open my heart and accept
Jesus as my Savior.” -*Gontyuk Delia, 12*

“I’ve learnt so many things that I haven’t
known before. Through this study, God
searched my heart and I accepted Him in
my heart. Praised be the Lord!” -
Dumbrava Adriana, 15

“Everything was so beautiful that I don’t have enough words to thank you for everything you did for us. I am glad for accepting the Lord in my heart. I wish the Lord help me to follow Him all my life.” -
Hmelnik Tanya, 14

“I had a wonderful time at camp where God’s word has searched my heart. Even at sister Gabi’s lesson I asked myself ‘If Noah was saved entering in the boat, why can’t I and my parents be saved as Noah was, believing in Jesus Christ and confessing my sins? My parents are already saved, but me?’ This thought was following me all days of the camp.” -
Timchuk Esther, 16

“I am so glad to receive Jesus in my heart at this camp! Thank you for the studies made in this camp. May the Lord reward your sacrifice and for the monetary help. May the Lord be glorified!” -*Roxana, 17*

“I’ve never been before in a Christian camp, it is my first time. I liked everything: the Bible studies, the organization, sports, relaxation and the praise and worship evening services. I had a great fellowship with the youth there and the Word of God has touched my heart. When my friend Daniel went in front to repent, I asked myself what would happen to me if I reject Jesus. Where would I be if Jesus came tonight? I remembered my grandma asking me these questions, but I never took them seriously. Then I decided to go in front and repent. Now I have great peace in my heart. Please pray for me to confess my parents about Jesus’ love.”

-Dima Chiobanu, 17

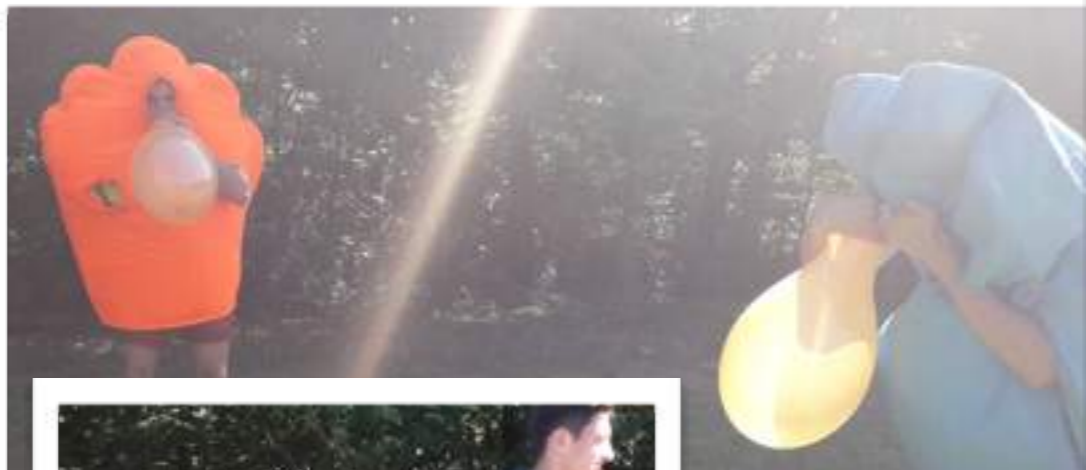

“I was born in a Christian family. My father is a deacon in a small church in Chernivtsy region. Nevertheless, I haven’t accepted the Lord as my Savior. I praise the Lord for the time spent in this camp and that He talked to me seriously through the study and the sermons. I liked a lot the fellowship with other young people and the evening praise and worship programs. It is the first time I came to a Christian camp, but the Holy Spirit has spoken to me through brother Pavel’s sermon and as Peter after falling from his faith, he rose and became a good servant and apostle bringing the others to Christ. Thank you for organizing this camp because through it I accepted the Lord in my heart and I am very happy.” -*Obersht Daniel, 17*

“This year God has spoken to me during the lessons about creation and on the last evening I decided to renew my repentance, especially as in two weeks I will make covenant with the Lord through baptism at the church in my village Dinauts. Now I am more convinced to follow Jesus everywhere in any situation. Thank you for the organization of this useful camp. I also decided to become a leader in such camps, in the future. May the Lord help me in this ministry!” -Paskar Tania, 17

“I thank the teacher Gabi for explaining so clear the lessons about creation and Noah’s ark. I also thank the Lord for awakening me through brother Pavel’s sermon. I gave my life to Jesus and I am glad that I am with Jesus now, Praise the Lord!” -Papuk Nastia, 17

“I liked the study about apologetics a lot. I had tons of questions concerning science in my mind that bothered me and which I couldn’t answer. The study about creation has strengthened my faith in God. I understood how great our God is! What an amazing Creator! I understand better David’s psalms describing God’s wonderful creation. Also I understand better the passages in Job about animals described there. Indeed I can exclaim with them how great Thou are, oh God! Thank you for the time spent on us and for your patience with me. Your work wasn’t in vain, as a lot of young people were touched by God. God has worked in my heart too and I understood that I am nothing without God. That’s why I came in front with other young people and accepted the Lord as my Savior.” -Grishka Cornel, 17

“My parents are not Christian and I have never before heard such interesting things. i found so many interesting facts about creation, Noah’s ark, science, evolution and the proof that the Bible is true and that it is the Word of God. Thank you, Patricia

for teaching us so many interesting things. I also liked to be among Christian youth. They are so special, so different comparing to the world I live. God has worked at my heart this week and I decided to open my heart for Jesus, who took my sin and the sin of the whole world. Pray for me to be strengthened in my faith to follow Jesus all my life.” -Zara Dima, 14

“I come from an orthodox family. But this wasn’t an obstacle to come to a Christian camp. I attended Mrs. Jacqueline’s classes. Honestly, I have never heard in my life before such a clear explanation about God’s creation, science and evolutionism. Although I can’t understand a lot, God has convinced me to give my life to Him. I am glad that there is a Baptist church and Christian youth in my village and I can ask what is not clear to me pastor Kioresko. Also I will study the Bible by my own. Please pray for me and for my parents to repent. Thank you for everything you did for us.” -Asmanov Arseniy, 12

“I am glad that I accepted Jesus in my heart at this camp. I repented as Peter did when He has fallen away from Christ. Nevertheless, God has restored him to be His Apostle who will bring thousands to Christ. Pray for me to become a good worker for God, because the life in this world is very bad and only Jesus gives us a purpose in life, giving us eternal life and joy abundantly. I wish God strengthen me in my faith. Thank you all who sponsored this camp. I also thank all the teachers who taught us there amazing lessons.” -
Vatamanyuk Dan, 17

“Thank you for the opportunity to be in this camp. My parents are not Christian but I hope they will accept Jesus as I did in this camp. I praise God for finding me and making me His child.” -*Bordian Alexander, 13*

“The greatest thing about camp was the event when I answered God’s calling and accepted Him in my life. Please, help me Jesus to follow you and obey you, Amen.” -*Rosina, 16*

I have a great joy to accept Jesus in my heart in this camp. Since I have heard the lessons about creation and evolutionism in this camp, my faith in God has strengthened and my feet are on a rock. I am thinking seriously to make covenant with Jesus through Baptism. Please, God, help me to be faithful to you.” -*Ruth Popova, 16*
