### Petihachny Pavel

Also this month we organized an outreach in Zhilovka. There are a few believers in that village and a lot of listeners came to hear the Word of God. After the outreach three people started to come regularly to the local church.

In May I contributed at the organization of the second Congress of the Romanian churches. We work with brothers on the program of the congress to make it after God's heart and favorable to spread the Gospel.

## Gortopan Mihai

The biggest ministry of May was the evangelism with the participation of a doctor team from Kiev. The topic was “What shall we do when our soul hurts?” Each patient after having been checked by the doctor, talked to a consoler who told them about Jesus and about the way to heaven.

## Vasil Preutesa

The director of the kindergarten asked me to lead the work outside the kindergarten building where during three weeks in a row 8-10 people came every day to build some pavements from tiles. When I was healthy I could do this kind of work very well, that's why she asked me to supervise the work. With this occasion I could tell the workers about Jesus and God's wonderful love. I told them how I repented and left all my bad habits. And now I am God's child and I serve my Lord with all my heart. I pray for the young men who worked at the kindergarten. Please join with me in prayer for them. Their names are Ivan, George, Maxim and Sergey. They all are around 20 years old. I invited them to church and to the youth meetings that are held in our churches. We believe that God will work at their hearts.

Dear brothers and sisters, please pray for my health. God can stop the infection at my intestines and reduce the fever. Thank you for everything.

Best wishes, Vasil Preutesa

## Postusak Grigory

We thank God for the great opportunity we have this year, to organize outreaches in different public places. We use this opportunity to the full so more people would be able to hear the Gospel and accept Jesus. I finished the discipleship lessons with the candidates to the baptism. I have released two radio talk shows called “Spiritual Advice” in May. Also I have recorded two sermons for this radio. Thank you for praying for us and supporting us financially.

Best wishes, Postusak Grigory

## Paskari Alexa

I went to share the Communion with three members of our church because they are bound to bed by different illnesses. There I had the opportunity to preach the Gospel to their unsaved relatives as well to some of their neighbors who were on visit there. We pray for all who heard the Gospel to be touched by God.

Our church supported financially two people who needed serious surgery. We pray for them that God will work on their hearts as they are not believers.

At church we had a Baby dedication - brother Benjamin's baby-girl, who has been a leader at the PIEI camp in Boian for several years. We have many young families in our church for which we pray because they are the future of our church.

Love, Paskari Alexa

## Valery Popov

With God's help this month I organized a new outreach program at the House of Culture in Novoselitsa. The youth of our church served the Lord through songs and poetry at the outreach service. We shared Christian brochures to the unbelievers. Several people decided to follow Jesus after the service, for who we praise the Lord. We are glad and praise the Lord for His wonderful works.

We are preparing for the children's day camp that is to be between July 10 and 16 in our church. Please pray for the children who will come to the day camp as well for the leaders who will work with them.

As for me I decided to start the treatment of Hepatitis C this summer. Please, pray for the doctors' wisdom and God's interference in my treatment.

Be blessed, Popov Valery

### Kioresko Grigory

Dear brothers and sisters,

Please, pray for me, for our church and for the ministers of our church. We are facing hard times now, that's why pray for me to hear God's voice and any choice that will be taken, let it be after God's will. We believe that God is omniscient and will work to build His church spiritually.

As for my family, we enjoy the peace that our God gives us. Thank you for supporting our ministry spiritually and financially. May the Lord reward your sacrifice! Receive lots of greetings from my family. We pray for your trip to Ukraine. Our Lord will protect you and us.

Love, Kioresko family
