## Petihachny Pavel

In June, we ordained as a pastor one of the graduated students from the Institute of Theology. Brother Igor became a blessing to the church in the village of Kotileu where he is pastoring now. Since he started his ministry in the church in Cotileu, there are many unsaved visitors from the village come to hear brother's Igor faith building messages.

Besides, I visited 19 pastors from the Novoselitsa district and offered them my support and my encouragement. My wish is that their local churches be full with converted people. I helped another family refugee from Donetsk to find shelter in one of the villages of our region. We found them a house in a village with a church so they and their three children could go to church and serve the Lord.

We plan in August to visit all the orphanages in Chernovtsy region and give them charity aid. Please, pray for us to be able to do this work through God's power. In addition, with the camp leaders we are preparing the program for the PIEI camp that will be from August 1 to August 6th. We pray for the PIEI teachers who will teach the Word of God, for the leaders that will work with the young people and children in the camp, as well we pray for protection of everything evil and may the Lord keep all of us in His almighty hand. Please keep praying for us. We need your prayers.

Thank you for your spiritual and financial support.

Best wishes, Pavel and Larisa Petihachny

## Gortopan Mihai

We praise our God for leading us in the ministry and blessing us abundantly during the first month of summer and not only. June started with day camps for children lead by sisters of our church. This is a great ministry among unsaved children, as they can hear the Word of God, simply, on their level through games, Bible contests and memorization of Bible verses. Through these camps children learn better the Bible, draw

nearer to God and take useful lessons about Jesus Christ for their fragile lives. I pray the Lord to work at their little hearts. During the past month our sisters held day camps

for children in many surrounding villages. I pray for all children who heard the Word of God to be touched by the Holy Spirit in their hearts and seek God.

Our youth and teens have Bible studies every week. I am glad for them that they learn the Word, which is alive and works in their hearts holiness, so useful for every Christian who follows Jesus. I wish that through every activity we do, to glorify our God only and His followers to grow spiritually.

Love, Mihai Gortopan

## Vasil Preutesa

In June I invited a lot of people from the village Fagadau to the mega outreach that was on July 2nd and 3rd on the stadiums in Novoselitsa and Chernovtsy. All month we prayed for specific people on each member's prayer list, and then we visited all those people. We gave them invitations, told them all details concerning the evangelism: the program, how long it will last and the details about the transport. We told them that all is free, including the transport, from them it is required only their time and desire, as our Lord Jesus gave us His salvation for free too. On June 27th I stood by the central store I Fagadau and shared invitations to the mega outreach to all who entered the shop. I pray for all who received invitations to the outreach to get an opened heart for the Lord.

We meet with the youth once a week for singing practice and Bible study. I visited a sister, member of our church at the hospital in Novoselitsa. There I met an old

friend who was a doctor but who was in hospital too because he had serious problems with blood pressure and with his heart. He told me he was almost to die. I told him about God's mercy and my trials during my illness. I told him that it is only God's mercy that I am alive today; and the reason I am alive is to tell everybody about Jesus, the Real Doctor who can heal both the body and the soul. I prayed for this doctor and invited him to our church.

Love, brother Vasil  
Preutesa,

## Postusak Grigory

This month we plan day camps for children who attend Sunday school. We have some guests, leaders from a mission for children's outreach, and they will help

us in this work. We planned together the time and the program for the camp: it should be at church as well they will have time to go out somewhere. In June we also had a camp for widows at the Christian camp in Boian. I and a group of young people went to that camp and served the Lord by singing and preaching the Gospel. I also shared the Communion to those widows. They were so glad to listen to such a beautiful program of praise and worship, and to hear the Gospel! They relaxed of the everyday problems.

With several brothers of our church I visited some churches in Ivano-Frankovsk region. We made this trip to Ivano-Frankovsk to visit brothers and sisters from a village named Belie Oslovy, as they needed our visit. I am so glad that our church grew with three people, who accepted the Lord as their Savior. A young man, whose name is Vadim, cried a lot when he repented, and asked the Lord to forgive him for not accepting the Lord for so long. He also prayed for his father who is unsaved, to repent. We pray for this family.

In addition this month I visited some members of our church who needed counseling. As summer is the time of weddings, I often give counseling to young couples who are getting married this summer. I pray for these couples to be protected by our Lord from temptations and sin. I also pray the Lord to give them wisdom and His love Agape because the Evil doesn't sleep and wants to break young families.

Best regards, Pastushak Grigory

## Valery Popov

By God's mercy and His Grace this month I served in the local church. We prepared for the mega outreach that was held on the stadium in Novoselitsa. Two people, who attended our church earlier, decided to follow Jesus and accepted Him as their Savior. Please pray for Klava and Galina to be strengthened in their faith.

With the church we are preparing for the day camp for children that will start in our church from July 18. Our prayer is that our Lord would work in the children's hearts. Please, pray for them and the leaders who will work with those children.

In August we wish to do a baptism, as two young people, Vasil and Vitaly have the desire to be baptized. Please, pray for them.

Our daughter Naomi has finished high school and wishes to continue her studies in English, at the University. Please, pray for us to find enough money to help her to fulfill her dream.

Love, Popov Valery

## Paskari Alexa

In June we held an outreach at church with the participation of a singing group "Hope" and two Chinese preachers from Los Angeles. We had a lot of unsaved guests who heard the sermons. We pray for the listeners to be touched by God.

We pray for my neighbor to find peace in the Lord. He is very upset because his wife left him. Please pray for him too. We pray for the PIEI camp that will be in August in Boian. We believe that again this year God will work wonderfully at children's hearts and many of them will repent. May the Lord keep the PIEI camp in His Almighty arms!

Love, your brother in Christ, Alex Paskar

## Kioresko Grigory

First of all I greet you with the peace of our Lord Jesus Christ! This month we felt the Almighty Hand of our Lord and His love in the ministry and in our lives. I thank the Lord for a young girl who repented this month and who started to attend discipleship lessons too. If it will be God's will then we'll have 5 people to be baptized. We pray for this holiday of our church that will be on August 7th.

I have a great joy to share with you. My son Benjamin preached at the both outputs in the centre of the towns and he wasn't shy. He was full of courage. I pray and please, pray with me for the ministry in Ukraine. I see God's wonderful work in our family. We feel His presence among us and always put Him first. And this is wonderful. Even though God allows us to pass through trials and problems and sometimes lack of money, with God everything is wonderful, he is everything for us.

With lots of love, the Kiore-sko's family
